

Dear Parents,

Welcome to the 5th grade. I am sure that many parents have already purchased some of the school supplies. If not, we urge you to do so, as soon as possible, to make sure that the school year gets off to a great start. A child always feels more comfortable and prepared when he/she has supplies.

Please go over the following list to make sure that your child has all of the items they will need:

- Pencil pouch
- sharpened pencils
- personal sharpener with lid
- box of tissues
- hand sanitizer
- ear buds
- colored pencils/markers
- glue stick
- Scissors
- MATH: 2 GREEN spiral notebooks + 1 green pocket folder
- SCIENCE: 2 YELLOW spiral notebooks + 1 yellow pocket folder
- ELA: 2 spiral notebooks + 1 pocket folder
- SOCIAL STUDIES: 1 spiral notebook and 1 folder

(NO INKPENS, NO MARKERS)

\* These items will not last the entire school year and should be restocked as needed.\*
