

Anna B. Day School
School-Parent Compact

School Year 2025-2026
Revision Date: April 10, 2025

Dear Parent/Guardian,

JOINTLY DEVELOPED

The parents and staff of A.B. Day School collaborated to develop this School-Parent Compact for student achievement. Teachers suggested home learning strategies and parents added input about the types of support they needed. Parents are encouraged to attend annual revision meetings held in April or May each year to review the Compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey (sent home in November) that serves as a tool to collect parent feedback regarding the current Title I programs and policies and family engagement.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

[The Board of Education's updated Goals and Guardrails are available on the School District Website at www.philasd.org.](http://www.philasd.org)
